

Quick:

Name “the BEST clinical software
for an infertility practice”
(Randy Morris, MD— IVF-1)

Correct! eIVF is the right answer!

As the “**Gold Standard** by which all other applications are measured,”
(Michael Alper, MD— Boston IVF) eIVF provides the RE practitioners the broadest
opportunity for success. In practice management. In patient, cycle and
lab data management. In visibility.

Only with eIVF do they have the opportunity to streamline processes
and deliver vital, front-line intelligence to drive successful outcomes.

Only with eIVF do they accurately analyze practice data, clinical data,
treatment methods and outcomes.

In fact, only with eIVF can they truly recognize the competitive advantage.

With over 20 reference sites— more than any other “RE-Specific” solution
in the world— eIVF is the BEST possible choice you can make.
